#### Dear Parents/Guardians:

We hope this letter finds you healthy and enjoying this Christmas season! We've had a great start to the year. The buzz in the building with students and their small group leaders continues to bring me so much joy! I am looking forward to seeing all that God has in store for us in the next semester.

Enclosed you will find the second semester calendar for TEN12 programming. Additionally, we want to make you aware of a few important dates:

#### TEN12 on Wednesday Nights:

**Wednesdays resume January 25th from 7:45-9:00PM**

We will continue to talk about the world we live in and what it looks like to follow Jesus in the midst of it. Our hope in TEN12 is to create a faith that sticks now and into their future. We are doing this by helping students apply what we are talking about in their everyday lives as they show up, ask tough questions, and seek to know and understand God's great love for them and others in this world.

#### A note from Erica

My hope in this season for myself, our students, and their families is that we would slow down and look outside ourselves to the One entering our world this Christmas. May we experience a thrill of hope as we prepare our hearts for this Christmas season. As we prepare I want to encourage all of you to think about how God wants to work in and through each of us to be a beacon of hope to our families, our friends and the world around us. I pray that as you lean into the hope of Jesus this season, you would see God's heart for you and those around you more clearly. Grateful for you all.

**Erica**
