

# CPC STUDENT LEADERSHIP

## Schedule Commitment

So much of what we do in Family Ministries is trying to follow Jesus's model of relational ministry: putting on skin and moving into the neighborhood to be with us (John 1:14 MSG).

Because we take this philosophy of ministry seriously, we believe that it is paramount for any leader that serves in our program to consistently show up in the lives that they are serving and show up to be with the people on their ministry teams.

Parents, we ask that you sit down with your student and look through their schedules for the 2023- 2024 school year and discern whether they will be able to fulfill the time commitment of being a Student Leader for the next school year.

We require our student leaders to be able to commit to the following time commitments:

**Weekly Service Commitment** - Whether your team serves on Wednesday nights or Sunday mornings, we ask that our student leaders will be able to attend and serve at all of their weekly commitments. ***Students will be allowed three excused absences throughout the year.***

**Attend TEN12/CC** - Our student leaders are required to attend Ten12 or Commitment Class weekly.

**Students** - By signing below I affirm that I have talked through my 2023-2024 schedule with a parent/guardian and agree that I will be able to fulfill the time expectations of Student Leadership. I also agree to fulfill my service commitment for the entirety of the program year.
